Day after day, I'm more confused  
Yet I look for the light through the pourin' rain  
You know that's a game that I hate to loose  
And I'm feelin' the strain  
Ain't it a shame.  
Give me the beat boys and free my soul  
I wanna get lost in your rock n roll  
And drift away.  
Give me the beat boys and free my soul  
I wanna get lost in your rock n roll  
And drift away.  
Sometimes I think I'm wastin' my time  
I don't understand the things I do  
The world outside looks so unkind  
And I'm countin' on you  
To carry me through.  
Give me the beat boys and free my soul  
I wanna get lost in your rock n roll  
And drift away.  
Give me the beat boys and free my soul  
I wanna get lost in your rock n roll

And drift away.

And when my mind is free

You know a melody can move me

And when I'm feelin' blue

The guitar's comin' through

To soothe me.

Thanks for the joy (for 20 years) you brought me

I (sure) believe in your song

Your rhythm and rhyme and harmony

You help me along

Makin' me strong.

Give me the beat boys and free my soul

I wanna get lost in your rock n roll

And drift away.

Give me the beat boys and free my soul

I wanna get lost in your rock n roll

And drift away.

OH HO AH HO..

Give me the beat boys and free my soul

I wanna get lost in your rock n roll

And drift away.

HEY, HEY,HEY, YA

Give me the beat boys and free my soul

I wanna get lost in your rock n roll

And drift away.

Na, Na, now won't ya

Won't ya take, OH HA ..take me.
