When I lost you honey sometimes I think  
I lost my guts too  
And I wish God would send me a word send me  
something I'm afraid to lose  
Lying in the heat of the night like prisoners all our lives  
I get shivers down my spine and all  
I wanna do is hold you tight

(chorus)

I swear I'll drive all night just to buy you some shoes  
And to taste your tender charms  
And I just wanna sleep tonight again in your arms

Tonight there's fallen angels and they're waiting for us  
down in the street  
Tonight there's calling strangers, hear them crying in  
defeat.  
Let them go,  
Let them go,  
Let them go,  
Do their dances of the dead (let em go right ahead)  
You just dry your eyes girl,  
And cmon cmon cmon lets go to bed,  
Baby, baby, baby

(chorus)

There's machines and there's fire waiting on the edge  
of town  
They're out there for hire but baby they can't hurt us  
now  
Cause youve got,  
Youve got,  
Youve got,  
Youve got my love,  
Youve got my love  
Through the wind,  
Through the rain,  
The snow, the wind,  
The rain  
Youve got,  
Youve got my,

My love heart and soul
