Sunday matinee  
In a one dog town  
You're two seats away  
I move two seats down  
Wipe the tears from your eyes  
The first kiss I stole  
I walk you home  
The credits roll

Fade to black  
Fade to black  
Fade to black  
Fade to black

I hear my voice  
On the telephone  
But I'm just running  
The same old business  
I feel like I'm off  
Somewhere so alone  
Just watching us both  
Running the distance  
Watching us both  
Slowly pull back

Fade to black  
Fade to black  
Fade to black

I come home  
Clothes all over the place  
You're crying in the corner  
Makeup running down your face

Your case is packed  
The fight starts  
I ( ? ? ? ? ) cursin'  
Baby is this the scene  
Which we been rehearsin'  
Is this the one  
Or have I lost track  
Waitin' for us

To fade to black

Fade to black

Fade to black

Fade to black

A face wet with shame

Eyes filled with hurt

I scream out your name

You rip my shirt

A small bungalow

A late afternoon

The sunlight falls

Like a bright veil

A camera pans

An empty room

The picture dissolves

Slowly pulls back

Fade to black

Fade to black

Fade to black
