From nowhere through the caravan
Round the campfire light
A lovely woman in motion
With hair as dark as night

Her eyes were like
That of a cat in the dark
That hypnotized me with love

She was a gypsy woman
She's a gypsy woman
She's a gypsy woman

She danced around and round
Guitar's melody
From the fire her face was aglow
How she enchanted me

I'd like to hold her near
And kiss her hair
And whisper in her ear

"I love you, gypsy woman
I love you, gypsy woman
I love you, gypsy woman
I love you, gypsy woman"

All through the caravan
She was dancing with all the men
Waiting for the rising sun
Everybody was having fun

Hated to see her go
Knowing, she'll never know
That I love her, oh that I love her

I love you, gypsy woman
I love you, gypsy woman
I love you, gypsy woman
I love you, gypsy woman

I love you, gypsy woman

I love you, gypsy woman
I love you, gypsy woman
I love you, gypsy woman
