Intro to: I sold my heart to the junkman

"...this is a very sad song, this next song we're gonna do.

The song is so sad that sometimes I have to leave the stage and

Cry in the backstage a little bit while I'm singing this song. the reason

This song is so sad because this story happened to me just a little

While ago (not true, but true) (audience laughs) and it was, it was

A thing where I met this this beautiful girl, right? was she a

Beautiful girl as she was, she was nice and ... and I gave her my whole

Heart, every every bit, and she gave it back to me a month later all

Beat up, so bad and so terrible looking that

I sold my heart to the junkman !

Now I can never fall in love again...."

(starts song)

"...song, this is a very sad song, this next Song we're gonna do.

The reason this song is so sad because this Story happened to me just a little while ago

And it was, it was a thing where I met this

And I gave her my whole heart, every every bit,

And she gave it back to me a month later all

So terrible looking that

I sold my heart to the junkman !

Now I can never fall in love again...."

Well I gave my heart to you, open, so open and trusting

And you gave it back to me, it was broken up and
busting
(sold my heart) I sold my heart to the junkman
(sold my heart) I sold my heart to the junkman
I can never fall in love again

Oh and I know you took my heart, you thought that you
Could use it
When you gave it back like a toy
You broken and bruised
(sold my heart) I sold my heart to the junkman
(I sold my heart) I sold my heart to the junkman
I can never fall in love again

Now, it was a movie sad scene, I played my part
Ooh I wanted the happy ending, but all I got was
A broken heart
(all he got was a broken heart)
(I sold my heart) I sold my heart to the junkman(I sold
my heart) I sold my
Heart to the junkman
I can never fall in love again

Now I swear it was a movie setting, baby I played my
part
And all I wanted was a happy ending,
But now I'm left with a broken heart
(now he's left with a broken heart)
(I sold my heart) I sold my heart to the junkman
(I sold my heart) I sold my heart to the junkman
I can never fall in love again

I gave my heart to you, so open and trusting
And you gave it back to me, it was broken up and
busting
(so I sold) I sold my heart to the junkman
(yes I sold) I sold my heart to the junkman
I can never fall in love again

Yes I did sold my heart to the junkman
Yes I did, yes I did
Sold my heart to the junkman
Now I can never fall in love again
Since I sold my heart to the junkman.
