So let the frozen sands crumble, crumble and fall
Yeah that's all right, I don't mind at all
Well let it all tumble right into the sea
Yeah that's all right, that's fine with me
Since you came down the line
I don't sleep at night
I got one thing on my mind
And so every day, every night
I wanna be with you
I wanna be with you
That's what I wanna do
'cause you're so out of sight
I wanna be with you
I wanna be with you
That's what I wanna do

Well I lost my job at the texaco station
Instead of pumpin' gas I dreamed of you
I got thrown out of my house
I got such a bad reputation
'cause all I wanna do is be seen with you

They gave me my pay and said walk
I don't care what they say
Go ahead and let 'em all talk
Until the world falls apart
I wanna be with you

I wanna be with you
That's what I wanna do
Until they rip out my heart
I wanna be with you
I wanna be with you
That's what I wanna do

Bedtime, hold tight, love me just a little bit
All night, a little bit more
Tonight, tonight ...
Oh I don't know, I don't know
I don't understand it you ain't pretty at all
But I come when you whisper
I run when you call

And baby I can't stand it
And baby that's all
Ridin' by your side in my car
Oh, oh I wanna be with you
I wanna be with you
Darlin' don't you know
Oh, oh I wanna be with you
I wanna be with you
Because I love you so
