I got a 007 watch and it's a one and only
Its got a i-spy beeper that tells me when you're lonely
I got a batmobile so I can reach ya in a fast shake
When your worlds in crisis of an impendin heartbreak

Now don't you call james bond or secret agent man
Cause they can't do it, like I can
Im a rocker, baby, Im a rocker - every day
Im a rocker, baby, Im a rocker

If you're hanging from a cliff or you're tied to the
tracks, girl
Columbo split and you can't find kojak
True love is broken and your tears are fallin faster
Youre sufferin from a pain in your heart
Or some other natural disaster

Now I don't care what kind of shape you're in
If they put up a roadblock, I'll parachute in
Im a rocker, baby, Im a rocker - Im in love
Im a rocker, baby, Im a rocker - every day
Im a rocker, baby, Im a rocker - with you

So you fell for some jerk who was tall, dark and
handsome
Then he kidnapped your heart and now he's holdin it
for ransom
Well, like a mission impossible Im gonna go and get it
back
You know I woulda taken better care of it, baby, than
that

Sometimes I get so hot girl, well, I can't talk
But when Im with you I cool off , and I walk
Im a rocker, baby, Im a rocker, and I talk
Im a rocker, baby, Im a rocker, every day
Im a rocker, baby, Im a rocker, every day
