"Jersey Girls"

Visit "[Jersey Girls](#)" on MotoLyrics.com

I got no time for the corner boys,
Down in the street makin' all that noise,
Don't want no whores on eighth avenue,
Cause tonight I'm gonna be with you.

Tonight I'm gonna take that ride,
Across the river to the jersey side,
Take my baby to the carnival,
And I'll take you on all the rides.

'Couse down the shore everything's alright,
You with your baby on a saturday night,
They'll know all my dreams come true,
When I'm walking down the street with you.

Sing sha la la la la la la
Sha la la la la la la.
Sha la la la la la la.
Sha la la la la la I'm in love with a jersey girl.
Sha la la la la la la.
Sha la la la la la la.
Sha la la la la la la.
Sha la la la la la la.

You know she thrills me with all her charms,
When I'm wrapped up in my baby's arms,
My little girl gives me everything,
I know someday that she'll wear my ring.

So don't bother me cause I got no time,
I'm on my way to see that girl of mine,
'Couse nothin matters in this whole wide world,
When you're in love with a jersey girl,

Sha la la la la la la.
Sha la la la la la la.
Sha la la la la la la.
Sha la la la la la I'm in love with a jersey girl.
Sha la la la la la la.
Sha la la la la la la.
Sha la la la la la la.

Sha la la la la la.

I see you on the street and you look so tired,
Girl I know that job you got leaves you so uninspired,
When I come back I'll take you out to eat,
You're lying all dressed up on the bed baby fast asleep.

Going in the bathroom put your make up on,
We're gonna take that little brat of yours and drop her
of at your mom's,
I know a place where the dangin's free,
Now baby won't you come with me?

'Couse down the shore everything's alright,
You with your baby on a saturday night,
Nothin matters in this whole wide world now girl now
now,
When you're in love with a jersey girl,

Sha la la la la la la.
Sha la la la la la la.
Sha la la la la la la.
Sha la la la la la la I'm in love with a jersey girl.
Sha la la la la la la.
Sha la la la la la la.
Sha la la la la la la.
Sha la la la la la la.
