Well she drew out all her money from the southern trust

And put her little boy on the greyhound bus

Leaving memphis with a guitar in his hand

With a one way ticket to the promised land

Hey little girl with the red dress on

There's party tonight down in memphis down

I'll be going down there if you need a ride

The man on the radio says elvis presley's died

We drove to memphis the sky was hard and black

Up over the ridge came a white cadillac

They drew out all his money and they laid him in the back

A woman cried from the roadside "oh he's gone, he's gone"

They found him slumped up against the drain

With a whole lotta trouble running through his veins

Bye bye johnny

Johnny bye bye

You didn't have to die

You didn't have to die

(all aboard!

Train I ride...

Sixteen coaches long)

Just like a woman (bob dylan/bob dylan)

Nobody feels any pain

Tonight as I stand inside the rain

Everybody knows

That baby has got me closed

But lately I see her ribbons and her bows

Have fallen from her curls

She takes just like a woman, yes she does

She makes love just like a woman, yes she does

And she aches just like a woman

But she breaks just like a little girl

Queen mary she's my friend  
Yes I believe I'll go see her again  
Nobody has to guess  
That baby can't be blessed  
'till she finally sees  
That she's like all the rest  
With her fog her amphetamine and her pearls

It was raining from the first  
And I was dying there of thirst  
So I came in here  
And your long time curse hurts  
But what's worse  
Is this pain in here  
I can't stay in here  
Ain't it clear that I just can't fit  
Yes I believe it's for us to quit  
When we meet again introduced as friends  
Please don't let on that you knew me when  
I was hungry and it was your world

Ah you fake just like a woman, yes you do  
You make love just like a woman, yes you do  
And you ache just like a woman  
But you break just like a little girl
