With you I don't hear
the minutes ticking by
I don't feel the hours
as they fly
I don't see the summer
as it wanes
Just a subtle
change of light
upon your face

Walk away, walk away,
walk away, walk away
This is our
kingdom of days

I watched the sun
as it rises and sets
I watched the moon
trace its arc
with no regret
My jacket
'round your shoulders,
the falling leaves
The wet grass on our backs
as the autumn breeze drifts
through the trees

Walk away, walk away,
walk away, walk away
This is our kingdom of days
This is our kingdom of days

I love you, I love you,
I love you, I love you, I do
You whispered
"then prove it, then prove it,
then prove it,
to me baby blue"

When I count my blessings
and you're mine for always
We laughed

beneath the covers
and count the wrinkles
and the grays

Sing away, sing away,
sing away, sing away
Sing away, sing away,
my darling,
we'll sing away
This is our kingdom of days
This is our kingdom of days
This is our kingdom of days
This is our kingdom of days
This is our kingdom of days
