Grab your ticket and your suitcase
Thunder's rolling down the tracks
Don't know where you're goin'
Sky is turnin' black / But you know you won't be back
Well darlin' if you're weary
Lay your head upon my chest
We'll take what we can carry
And we'll leave behind the rest

Big Wheels rolling through fields
Where sunlight streams
Meet me in a land of hope and dreams

Well, I will provide for you
Yeah, and I will stand by your side
You'll need a good companion, darlin'
For this part of the ride
You leave behind your sorrows
Yeah, this day at last
Tomorrow they'll be sunny skies
And all this darkness past

Big Wheels rolling through fields
Where sunlight streams
Meet me in a land of hope and dreams

This train
Carries saints and sinners
This train
Carries losers and winners

This Train
Carries whores and gamblers
This Train
Carries midnight ramblers
This Train
Carries broken-hearted
This Train
Carries souls departed
This Train
Dreams will not be thwarted
This Train

Faith will be rewarded
This Train
Carries fools and kings
This Train
Hear the big wheels singing
This Train
Bells of freedom ringing
