Once I thought I knew  
Everything I needed to know about you  
Your sweet whisper, your tender touch  
But I didn't really know that much  
The joke's on me, but it's gonna be okay  
If I can just get through this lonesome day  
Lonesome day  
Hell's brewing, dark sun's on the rise  
This storm'll blow through by and by  
House is on fire, viper's in the grass  
A little revenge and this too shall pass  
This too shall pass, darling  
Yeah I'm gonna pray  
Right now, all I got's this lonesome day  
Lonesome Day

It's alright, it's alright, it's alright, yeah  
It's alright, it's alright, it's alright, yeah  
It's alright, it's alright, it's alright, yeah  
It's alright, it's alright

Better ask questions before you shoot  
Deceit and betrayal's bitter fruit

It's hard to swallow come time to pay  
That taste on your tongue don't easily slip away  
Let kingdom come, I'm gonna find my way  
Yeah, through this lonesome day  
Lonesome day  
Lonesome day  
Lonesome day

It's alright, it's alright, it's alright, yeah  
It's alright, it's alright, it's alright, yeah  
It's alright, it's alright, it's alright, yeah  
It's alright, it's alright, it's alright, yeah  
It's alright, it's alright, it's alright, yeah  
It's alright, it's alright, it's alright, yeah

Lonesome day  
Lonesome day  
Lonesome day
