Last night I stood at your doorstep  
Trying to figure out what went wrong  
You just slipped something into my palm and you were  
gone

I could smell the same deep green of summer  
'Bove me the same night sky was glowin'  
In the distance I could see the town where I was born

It's gonna be a long walk home  
Hey pretty darling, don't wait up for me  
Gonna be a long walk home  
A long walk home

In town I pass Sal's grocery  
Barber shop on South Street  
I looked in their faces\*  
They're all rank strangers to me\*  
Well Veteran's Hall high upon the hill  
Stood silent and alone  
The diner was shuttered and boarded  
With a sign that just said "gone"

It's gonna be a long walk home  
Hey pretty darling, don't wait up for me  
Gonna be a long walk home  
Hey pretty darling, don't wait up for me  
Gonna be a long walk home  
It's gonna be a long walk home

Here everybody has a neighbor  
Everybody has a friend  
Everybody has a reason to begin again

My father said "Son, we're lucky in this town,  
It's a beautiful place to be born.  
It just wraps its arms around you,  
Nobody crowds you and nobody goes it alone"

"Your flag flyin' over the courthouse

Means certain things are set in stone.  
Who we are, what we'll do and what we won't"

It's gonna be a long walk home  
Hey pretty darling, don't wait up for me  
Gonna be a long walk home  
Hey pretty darling, don't wait up for me  
Gonna be a long walk home  
It's gonna be a long walk home  
It's gonna be a long walk home  
Hey pretty darling, don't wait up for me  
Gonna be a long walk home  
Hey pretty darling, don't wait up for me  
Gonna be a long walk home  
It's gonna be a long walk home  
It's gonna be a long walk home
