In the room where fortune falls
On a day when chance is all
In the dark of fierce exile
I felt the grace of your smile

Honey, you're my lucky day
Baby, you're my lucky day
Well I lost all the other bets I made
Honey, you're my lucky day

When I see strong hearts give way
To the burdens of the day
To the weary hands of time
Where fortune is not kind

Honey, you're my lucky day
Baby, you're my lucky day

Well I lost all the other bets I made
Honey, you're my lucky day

Whoa!

[guitar solo]
[sax solo]

I've waited at your side
I've carried the tears you've cried
But to win, darlin' we must play
So don't hide your heart away

Honey, you're my lucky day
Baby, you're my lucky day
Well I lost all the other bets I made
Honey, you're my lucky day

Whoa!
