(tracks version)

Every day here you come walking
I hold my tongue, I don't do much talking
You say you're happy and you're doin' fine well go
ahead, baby, I got plenty of time
Sad eyes never lie
Sad eyes never lie

Well for a while I've been watching you steady
Ain't gonna move 'til you're good and ready
You show up and then you shy away
But I know pretty soon you'll be walkin' this way
Sad eyes never lie
Sad eyes never lie

Baby don't you know I don't care
Don't you know that I've been there
Well if something in the air feels a little unkind
Don't worry darling, it'll slip your mind

I know you think you'd never be mine
Well that's okay, baby, I don't mind
That shy smile's sweet, that's a fact
Go ahead, I don't mind the act
Here you come all dressed up for a date
Well one more step and it'll be too late
Blue blue ribbon in your hair
Like you're so sure I'll be standing here

(another version)

'til the end
Just me and you baby
Just me and you girl
And I remember you even back then
And I remember you from back then
And I remember back then that I swore that for you I'd
drive all night
Anytime, anyplace

Hiding on the backstreets
