Well every night I see a light up in your window
But every night you won't answer your door
But although you won't ever let me in
From the street I can see your silhouette sittin' close to
him
What must I do
What does it take
To get you to

Talk to me
Until the night is over
Talk to me
Well until the night is over, yeah yeah yeah
I got a full week's pay
And baby I've been working hard each day
I'm not asking for the world you see
I'm just asking girl
Talk to me

Well late at night I hear the music that you're playing
soft and low
Yes and late at night I see the two of you swayin', so
close
I don't understand darling what was my sin
Why am I down here below while you're up there with
him
What did I do
What did I say
What must I pay

To get you to

Talk to me
Until the night is over
Talk to me
Well until the night is over, yeah yeah yeah
I got a full week's pay
And baby I've been working hard each day
I'm not asking for the world you see
I'm just asking girl
Talk to me
Yeah, yeah, yeah, yeah

I don't understand darling what was my sin
Why am I down here below while you're up there with
him
What did I do
What did I say
What must I pay
To get you to

Talk to me
Until the night is over
Talk to me
Well until the night is over, yeah yeah yeah
I got a full week's pay
And baby I've been working hard each day
I'm not asking for the world you see
I'm down on my bended knees
I'm just asking darling please won't you
Talk to me
