Guess who just got back today
Them wild-eyed boys that have been away
Hadn't changed hadn't much to say
But man, I still think them cats are crazy
They were askin' if you were around
How you was, where you could be found?
Told them you maybe livin' downtown
Drivin' all the old men crazy

Chorus

The boys are back in town
The boys are back in town
I said the boys are back in town
The boys are back in town

The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town

You know that chick who used to dance a lot
Every night she'd be on the floor shaking what she got
Man when I tell you she was cool she was red hot
I mean steaming

And that time over at Johnny's place
Well, this chick got up and smacked Johnny's face
Man we fell about the place
If that chick dont wanna know, forget her

Chorus

Friday night dressed to kill
Down at Dino's bar and grill
Drink will flow and blood will spill
If the boys wanna fight you better let 'em

That jukebox in the corner
Blastin out my favorite song
These nights are gettin' warmer and it won't be long
Wont be long till' the summer comes

Chorus
Joinin' us now

Down At Dino's
