Well, it seems like I'm caught up in your trap again
And it seems like I'll be wearing the same old chains
Good will conquer evil and the truth will set me free
And I know someday I will find the key
And I know somewhere I will find the key

Well, it seems like I've been playing your game way too
long
And it seems the game I've played has made you
strong
But when the game is over I won't walk out the loser
And I know that I'll walk out of here again
And I know someday I'll walk out of here again

But now, I'm trapped
Ooh yeah, trapped
Ooh yeah, trapped
Ooh yeah, trapped
Ooh yeah

Now it seems like I've been sleeping in your bed too
long
And it seems like you've been meaning to do me harm
But I'll teach my eyes to see, beyond these walls in
front of me
And someday I'll walk out of here again
And I know someday I'll walk out of here again

But now, I'm trapped
Ooh yeah, trapped
Ooh yeah, trapped
Ooh yeah, trapped
Ooh yeah

Now it seems like I've been playing your game way too
long
And it seems the game I've played has made you
strong

Because I'm trapped
Ooh yeah, trapped
Ooh yeah, trapped

Ooh yeah, trapped
Ooh yeah

I'm trapped
Ooh yeah, trapped
Ooh yeah, trapped
Ooh yeah, trapped
Ooh yeah, I'm trapped
