Fat man sitting on a little stool
Takes the money from my hand while his eyes take a
walk all over you
Hands me the ticket smiles and whispers good luck
Cuddle up angel cuddle up my little dove
We'll ride down baby into this tunnel of love

I can feel the soft silk of your blouse
And them soft thrills in our little fun house
Then the lights go out and it's just the three of us
You me and all that stuff we're so scared of
Gotta ride down baby into this tunnel of love

There's a crazy mirror showing us both in 5-D

I'm laughing at you you're laughing at me
There's a room of shadows that gets so dark brother
It's easy for two people to lose each other in this tunnel
of love

it ought to be easy ought to be simple enough
Man meets woman and they fall in love
But the house is haunted and the ride gets rough
And you've got to learn to live with what you can't rise
above if you want to ride on down in through this tunnel
of love
