I went out walking the other day  
Seen a little girl crying along the way  
She'd been hurt so bad said she'd never love again  
Someday your crying girl will end  
And you'll find once again

Two hearts are better than one  
Two hearts girl get the job done  
Two hearts are better than one

Once I spent my time playing tough guy scenes  
But I was living in a world of childish dreams  
Someday these childish dreams must end  
To become a man and grow up to dream again  
Now I believe in the end

Two hearts are better than one  
Two hearts girl get the job done

Two hearts are better than one

Sometimes it might seem like it was planned  
for you to roam empty hearted through this land  
Though the world turns you hard and cold  
There's one thing mister, that I know  
That's if you think your heart is stone  
And that you're rough enough to whip this world alone  
Alone buddy there ain't no peace of mind  
That's why I'll keep searching till I find my special one

Two hearts are better than one  
Two hearts girl get the job done  
Two hearts are better than one
