Iâ€™m driving a big lazy car rushinâ€™ up the highway in  
the dark  
I got one hand steady on the wheel and one handâ€™s  
tremblinâ€™ over my heart  
Itâ€™s pounding baby like itâ€™s gonna bust right on  
through  
And it ainâ€™t gonna stop till Iâ€™m alone again with you

A friend of mine became a father last night  
When we spoke in his voice I could hear the light  
Of the skies and the rivers the timberwolf in the pines  
And that great jukebox out on Route 39  
They say he travels fastest who travels alone  
But tonight I miss my girl mister tonight I miss my  
home

Is it the sound of the leaves  
Left blown by the wayside  
Thatâ€™s got me out here on this spooky old highway  
tonight  
Is it the cry of the river  
With the moonlight shining through  
That ainâ€™t what scares me baby  
What scares me is loosinâ€™ you

They say if you die in your dreams you really die in  
your bed  
But honey last night I dreamed my eyes rolled straight  
back in my head  
And Godâ€™s light came shininâ€™ on through  
I woke up in the darkness scared and breathinâ€™ and  
born anew  
It wasnâ€™t the cold river bottom I felt rushing over me  
It wasnâ€™t the bitterness of a dream that didnâ€™t come  
true  
It wasnâ€™t the wind in the grey fields I felt rushing  
through my arms  
No no baby it was you  
So hold me close honey say youâ€™re forever mine  
And tell me youâ€™ll be my lonely valentine Iâ€™m driving  
a big lazy car rushinâ€™ up the highway in the dark  
I got one hand steady on the wheel and one handâ€™s

tremblin' over my heart  
It's pounding baby like it's gonna bust right on
