Bright light city gonna set my soul  
Gonna set my soul on fire  
I gotta whole lotta money  
That's ready to burn so  
Get those stakes up higher

Well, there's a thousand pretty women  
Who're waitin' out there  
They're all livin', just a devil may care  
And I'm just a devil with a love to spare

So, viva Las Vegas, viva Las Vegas

Oh, how I wish that there were  
More than 24 hours in a day  
Even if there were 40 more  
I wouldn't sleep a minute away

Oh well, there's blackjack, poker  
And a roulette wheel  
A fortune won and lost on every deal  
All you need is money and nerves of steel

Viva Las Vegas, viva Las Vegas

Well, viva Las Vegas with a  
Neon flashing and your  
One-armed bandits crashing  
All your hopes down the drain

Yeah, viva Las Vegas turnin'  
Day into night time turnin'  
Night into day time if you've seen it once  
You'll never be the same again

I'm gonna keep you on the run  
I'm gonna have me some fun  
If it costs me my very last dime

If I wind up, broke well  
I'll always remember that  
I had me a swinging time

Now, I'm gonna give it every thing I got  
Lady Luck won't you let the dice stay hot?  
Let me shoot a seven with every shot?

Viva Las Vegas, viva Las Vegas  
Viva Las Vegas, viva, viva Las Vegas
