I hear the guitars ringin' out
Ringin' out down union street
I hear the lead singer shoutin' out, girl
I wanna be a slave to the beat
Yeah, tonight I wanna break my chains
Somebody break my heart
Somebody shake my brains
Downtown there's something that I wanna hear
There's a sound, little girl, keeps ringing in my ear

Chorus:

I wanna be where the bands are
I wanna be where the bands are
Where the bands are
I wanna be where the bands are
I get off from work and I grab something to eat
I turn the corner and I drive down your street
Little gray houses darling looks like nowhere
But hey I know you're hiding in there
Come on out for just a little while
You know that heart of stone, girl, it just ain't your style
Tonight I wanna feel the beat of the crowd

And when I tell you that I love you
I wanna have to shout it out loud
Shout it out loud

(chorus)

I hear the guitars ringin' out again
Ringin' on down union street
I hear the lead singer shoutin' out and girl
I wanna be a slave to the beat
And I want something that'll break my chains
Something to break my heart
Something to shake my brains
There's a rocker's special on tonight
So meet me on down
'neath the neon lights

(chorus)
