Out here the nights are long, the days are lonely
I think of you and I'm working on a dream
I'm working on a dream

Now the cards I've drawn's a rough hand, darling
I straighten the back and I'm working on a dream
I'm working on a dream

Come on!

I'm working on a dream
Though sometimes it feels so far away
I'm working on a dream
And I know it will be mine someday

Rain pourin' down, I swing my hammer
My hands are rough from working on a dream
I'm working on a dream

Let's go!

I'm working on a dream
Though trouble can feel like it's here to stay
I'm working on a dream
Well our love will chase trouble away
Alright!

[whistling interlude]
That's professional whistling right there!

I'm working on a dream
Though it can feel so far away
I'm working on a dream
Our love will make it real someday

The sun rise up, I climb the ladder
The new day breaks and I'm working on a dream
I'm working on a dream
I'm working on a dream
I'm working on a dream

Hey!

I'm working on a dream
Though it can feel so far away
I'm working on a dream
Our love will make it real someday
I'm working on a dream
Though it can feel so far away
I'm working on a dream
And our love will make it real someday
