Yesterday I went shopping buddy down to the mall  
Looking for something pretty I could hang on my wall  
I knocked over a lamp before it hit the floor I caught it  
A salesman turned around said, "boy, you break that  
thing you bought it".

You can look but you better not touch boy  
You can look but you better not touch boy  
Mess around and you'll end up in dutch boy  
You can look but you better not, no you better not, no  
you better not touch

Well I came home from work and I switched on Channel  
5  
There was a pretty little girly lookin' straight into my  
eyes  
Well I watched as she wiggled back and forth across  
the screen  
She didn't get me excited she just made me feel mean

You can look but you better not touch boy  
You can look but you better not touch boy  
Mess around and you'll end up in dutch boy  
You can look but you better not, no you better not, no  
you better not touch

Well I called up Dirty Annie on the telephone  
I took her out to the drive-in just to get her alone  
I found a lover's rendezvous, the music low, set to park  
I heard a tappin' on the window and a voice in the dark

You can look but you better not touch boy  
You can look but you better not touch boy  
Mess around and you'll end up in dutch boy  
You can look but you better not, no you better not, no  
you better not touch
