You know love makes the world go around
And love, babe, makes the see-saws go - up and down.
And it makes that trees grow tall and the most
important thing of all
It makes the boy 'n girl say it feels so fine now (feels so
fine)
Without love flowers wouldn't grow in spring.
Without spring the birdies just couldn't sing.
Everybody needs love just to watch the twinkling stars
above.
It makes the boy 'n girl say it feels so fine now (feels so
fine).
Everybody needs love just to watch the twinkling stars
above.
It makes the boy 'n girl say it feels so fine now (feels so
fine).
Oooh, sweet love, love makes you kinder.
It goes for Rumer, Tallah, Summer and Norton babe,
You and I.
I can proof to you that the aspects of love are so true.
It makes the boy 'n girl say it feels so fine now (feels so
fine).
Oooh, sweet love, your love is so good ya.
I love you babe...
