Breaking The Law by Barcode
There I was completely wasting
Out of work and down
All inside it's so frustrating
As I drift from town to town
Feel as though nobody cares
If I live or die
So I might as well begin
To put some action in my life

Breaking the law, breaking the law

So much for the golden future
I can't even start
I've had every promise broken
And there's anger in my heart
You don't know what it's like
You don't have a clue
If you did you'd find yourselves
Do the same thing too

Breaking the law, breaking the law

You don't know what it's like
