"Hello. We need to talk"

Wooh

Do, do, do it

Do it for love

Baby, baby

I've got something to say

When I fall in love

I go all the way to have a love that's true

It's all I want from you

Without it baby

There's no reason to stay

Tell me why (why)

Oh why (why)

When there's so much more to life than getting by

Oh why (why)

Oh why (why)

Don't you change the way

You're gonna go about it by giving yourself

Do it, do it, do it

Do it for love

No need to question why

Don't need a reason you just

Do it, do it, do it

Do it for love

I live a lie for you

Ain't nothin' I won't do for love

Love, love, love

Baby, baby

Don't you know that I care

Just look around you

You'll find love everywhere

(Love everywhere)

It's in a mother's eyes

Every time a baby cries

It's the power that will answer your prayers

Tell me why (why)

Oh why (why)
When you only want your life to be satisfied
Oh why (why)
Oh why (why)
Don't you change the way
You're gonna go about it by giving yourself

Do it, do it, do it
Do it for love
No need to question why
Don't need a reason you just
Do it, do it, do it
Do it for love
I live a lie for you
Ain't nothin' I won't do for love
Love, love, love
(Love, love, love)
Do, do, do it
(Love, love, love)

Tell me why (why)
Oh why (why)
There's gotta be more to life than getting by
Oh why (why)
Oh why (why)
Don't you change the way
You're gonna go about it by giving yourself

Do it, do it, do it
Do it for love
(Love, love, love)
Don't you do it, do it, do it
(Love, love, love)
Don't you do it, do it, do it
Don't you do it, do it, do it
Do it for love (baby)
No need to question why
Don't need a reason you just
Do it, do it, do it
Do it for love
I live a lie for you
Ain't nothin' I won't do for love...
