Don't want your interest  
Don't need your worries too  
For what it's worth, no less  
Giving up on everything  
I'm leaving it all behind  
The crucial sacrifice

Bypass, recast  
Go kiss my fucking ass  
Last rites, the final blast

Unstable hallowed the  
Restless for evermore  
Withdrawn immunity  
These unreliable bonds

This lust for lowest low  
This need for no response  
Let it go  
Back off, my life, my show  
Out of sight, out of mind, let go

Bypass, recast  
Go kiss my fucking ass  
Witness the final blast
