Girls do, boys don't
Girls say what boys won't
You're all that and more
I do adore you
It's a simple thing
I got everything that you need
I see you watching me
I caught that look
Don't try to act all cool
It wasn't me you know it's was you
I can see it in your eyes
No matter how hard you try to hide
Who's gonna say it, who's gonna say it, who's gonna
say it first
Girls do boys don't(girls do boys don't)
Girls say what boys won't(we got our own ways)
So don't pretend that you're not feeling me
Cause I'm the girl that a boy like you needs
Girls do, boys don't
Girls say what boys won't
I see you with your friends talking away
But when it comes to me
You're tongue-tied got nothing to say
Whenever I walk by
I try to say hi
I'm giving you a sign
C'mon baby what are you blind
I can see it in your eyes
No matter how hard you try to hide
Who's gonna say it, who's gonna say it, who's gonna
say it first
Girls do boys don't(girls do boys don't)
We got a lot to say
We got what you want
We got our own ways
So if you're down
Baby make me believe that you're the boy that a girl
like me needs
Girls do boys don't(c'mon c'mon)
Girls say what boys won't
Girls do boys don't

Girls say what boys won't
I can see it in your eyes
No matter how hard you try to hide
Who's gonna say it, who's gonna say it, who's gonna
say it first
Girls say what boys won't(girls do boys don't)
We got a lot to say
Girls say what boys won't
We got our own ways
So don't pretend that you're not feeling me
Cause I'm the girl that a bot like you needs
Girls do boys don't(girls do boys don't)
We got a lot to say
We got what you want
We got our own ways
So is you're down
Baby make me believe that you're the boy that a girl
like me needs
Girls do boys don't
Girls say what's boys won't
