"I Should've Never Let You Go"

Visit "[I Should've Never Let You Go](#)" on MotoLyrics.com

Seems we play the game
but lost along the way
somewhere we went wrong
I didn't have a clue
should've never let you go
baby don't you know

It was all in my mind
was I such a fool
to let you get away
and now every day
there's nothing to defend
my head was in the clouds
and when I look around
I won't give up-till you come back again
If I could turn back time
I never would've thought that I
could lose you boy but know I know

I should've never let you go
If I could have one wish
I'll be the first to tell you
this is never what I wanted, no
I should've never let you go
I was confident
thought you were content
how did we go wrong
and now what can I do
should've never let you go

baby didn't you know
my tears are on the inside
how can it be true
I let you get away
and now everyday
there's nothing to defend
My head was in the clouds
and when I look around
I won't give up-till you come back again
If I could turn back time
I never would've thought that I

could lose you boy but now I know
I should've never let you go
If I could have one wish
I'll be the first to tell you this
this is never what I wanted, no
I should've never let you go
oh oh oh oh oh oh
I should've never let you go
oh oh oh oh oh oh
I should've never let you go
should've never should've never let you go let you go
oh baby oh baby don't you know don't you know
I won't give up no no no
till you come back again
If I could turn back time
I never would've thought that I
could lose you boy but know I know
I should've never let you go
If I could have one wish
I'll be the first to tell you
this is never what I wanted, no
I should've never let you go
If I could turn back time
I never would have thought that I
could lose you boy but now I know
I should've never let you go
If I could have one wish
I'll be the first to tell you
this is never what I wanted, no
I should've never let you go
If I could turn back time
I never would have thought that I
could lose you boy but now I know
I should've never let you go
If I could have one wish
I'll be the first to tell you
this is never what I wanted, no
I should've never let you go.
