"In The Pit"

Visit "In The Pit" on MotoLyrics.com

ThereÂ's gonna be a riot tonight
Lose your head Â– dive into the fight
Sense and sanity Â– leave it behind
Set it off Â– go way outta line
Reach the limit and set far beyond
True insanity will loosen the tight bonds
Scum fucks, trash, slobs, mentally stunned ones
Release Â– explode Â– weÂ're a megaton bomb

Full scale pure mosh Â– adrenaline rush
United Â– flat lined Â– dead dumb blind
No quit Â– full tilt Â– love it and lose it
Nothing beats another round in the pit

This night will be the end of this place
Rest assured Â– thereÂ'll be nothing left Â– it wonÂ't
stand
The blast will be a full scale discharge
WeÂ'll be back Â– next pit Â– next show Â– weÂ'll never
quit because

ThereÂ's gonna be a riot tonight
Lose your head Â– dive into the fight
Sense and sanity Â– leave it behind
Set it off Â– go way outta line
Reach the limit and set far beyond
True insanity will loosen the tight bonds
Scum fucks, trash, slobs, mentally stunned ones
Release Â– explode Â– weÂ're a megaton bomb

Full scale pure mosh Â– adrenaline rush
United Â– flat lined Â– dead dumb blind
No quit Â– full tilt Â– love it and lose it
Nothing beats another round in the pit
