Size does matter Â– the bigger the badder  
Some like it nasty and some like it hot  
Young or mature Â– dirty or pure  
Padre Siffredi will deliver the cure

Ebonys, redheads, blondes and brunettes  
Count your blessings Â– spread you legs Â–  
salvationÂ’s ahead  
Some want to suck Â– others to fuck  
Rocco tenders every need as long as he may enter  
your butt

Rocco did Paris Â– Rocco did Prague  
Rocco did Europe for a night on the town  
Jenna, Silvia, Chasey, Celeste  
Rocco prefers the backdoors of the best

Size does matter Â– the bigger the badder  
Some like it nasty and some like it hot  
Rocco is rough Â– Rocco is mean  
RoccoÂ’s a legend and he is alive and for real
