Man eating type, hot on a trail
Titties are tight, check out that tail
Fine piece of ass, up for a grap
Pleasure and pain

Goddess of luck ain't been smiling on me lately
Trying to get laid, bitches think that I'm crazy
Doing what I can
Now it's time to get back on the floor

Redhead delight
Asians are tight
White girls, black girls, yellow girls, red's

The thick and the juicy
They are all in my head
Pussy galore, one for us all
Fat and the thin, shorts and the tall
There's no demands, we'll take it anyway
We don't really give a damn
