You say you live for a united scene
You say your ways are oh so fair and clean
You claim your right to rule the HC grounds
Fuck your mobster ways
You're going down

The code's back - who'll be the first to drop
Self righteous bitches and likewise
Pop pop pop
Double A won't bow to no scene police
Face the 8K bitch and then fuck off please

The code's back - who'll be the first to drop
Self righteous bitches and likewise
Pop pop pop
Double A won't bow to no scene police
Face the 8K bitch and then fuck off please

Don't wanna be part of your game
Kissing ass for fortune and fame
Don't wanna play by your self-proclaimed rules
Backing up for a motherfucking tool
You're an insult to the double A crew
There are limits to what pimp manners can do
This crew will never swallow any of your crap
Fuck the 8 K bitch and you're gonna get fucked back

The code's back - who'll be the first to drop
Self righteous bitches and likewise
Pop pop pop
Double A won't bow to no scene police
Face the 8K bitch and then fuck off please

The code's back - who'll be the first to drop
Self righteous bitches and likewise
Pop pop pop
Double A won't bow to no scene police
Face the 8K bitch and then fuck off please

The code is back and there ain't no stop
Right here
Step up - show what you got

Right now
Nice moves Â– but how about guts
Stand straight
Show your face Â– show your disgrace
On stage
Enter showdown Â– this is the perfect place
