Do take another, youÃƒfÂ, 're thirsty, to loosen you up
Go drown whatÃƒfÂ, 's left of your brain
DonÃƒfÂ, 't talk that itchy bitchy jive, donÃƒfÂ, 't try to
stop
Just go completely insane

Do not ignore the code at the bar, wherever you are
THE BARCODE
You will stay put, stay right where you are, you will
obey!
THE BARCODE
DonÃƒfÂ, 't underestimate the brew, slide into
THE BARCODE
YouÃƒfÂ, 're not alone, weÃƒfÂ, 're right at the spot, we
are
BARCODE

We say
CRASH THE GATE
Join the party come cruise away
You are invited to beerzerk today
