[Fabolous] Come on, come on, yeah, big town

[Verse 1: Fabolous]
I bet cutie wanna freak
Don't matter if she on covers of Maxim or Jet "Beauty of the Week"
Give 'em wet cooties when I speak
I usually flash thousands worth of invisibly set jew-ies on a freak
It's likely I'm a take boo in the cut
Take her back to Spike Lee & have her doin' the butt, and I'm a mention
Just the way you shake it make my little soldier stand at attention
My hands gon' be inchin', cause I'm standin' there flinchin'
Tryin' to hold my hand back from pinchin'
But, ma I can't follow too long
Unless you look like a model who on, and swallow boo bons
I'm the kid in the XL Model Yukon
That get more numbers than a lotto coupon
Yo, F-A-B go scanty
Ma, you know how many I meet with no panties?

Bootee (*5 Times*)

I see boottee, I see boottee

[Verse 2: Benzino]

Benzino, if you can't stand the heat get the fuck out the kitchen

Chauffer driven limousines straight outta prison

In jewelery, man listen

Masterpiece was out to long I never wore presidentials

Still payin' for the shit Jacob lent you (Bootee)

Still waitin' for the check the label sent you (Bootee)

I'm still doin' things you can't imagine (Bootee)

That's there for blastin'

Bangin' on wax that's boottee

Face it Teddy banged tracks

Zino lace it

I like the chicks with the big fat ones

When you back that ass up all you feel is my gun

Hourglass ass you a mo'fucker boo

So please believe it I'm leavin' with you

& if you want 3 I'm freakin' with you

Benzino smashed boottee more than a few

Ha, ha ha

Bootee (*4 Times*)

I see boottee, I see boottee

[Verse 3: G-Dep]

Yeah, yeah, yeah

Aiyyo 8 classes, champagne glasses

V.I.P. passes lettin in all the asses

Got move fastest, cheek to cheek

Move from freak to freak, speak the greek

Shorty with the sleek physique, lots of stylin

The way you move I can tell you got some talent

Intelligent & she fuckin' with seniors

I need brains & you probably a genius

Bein' the Bad Boy you know I be

It's all ages you ain't gotta show ID

Too young as a man in China

So what if she can buy a gray goose with a loose vagina

Forget Azure's, I'll take her to court

Catch me on the dance floor tailgatin' a broad

I don't care is she ain't a cutie, ask fruity

When I see boottee, I see boottee

Bootee (*4 Times*)

I see boottee, I see boottee

[Outro]

Aiyyo my party people dance to this (bootee, bootee)

Party people dance to this (Feel me, feel me)

Repeat 3.5 Times

Ladies show your thongs drop your pants to this
