Girls do, boys don't  
Girls say what boys won't

You're all that and more  
I do adore you  
It's a simple thing  
I got everything that I need

I see you watching me  
I caught that look  
Don't try to act all cool  
It wasn't me, you know it was you

I can see it in your eyes  
No matter how hard you try to hide  
Who's gonna say it? who's gonna say it?  
Who's gonna say it first?

Girls do, boys don't  
(Girls do, boys don't)  
Girls say what boys won't  
(We got our own ways)

So don't pretend that you're not feeling me  
'Cause I'm the girl that a boy like you needs  
Girls do, boys don't  
Girls say what boys won't

I see you with your friend  
Talking away  
But when it comes to me  
Your tongue tied, got nothing to say

Whenever I walk by  
I try to say hi  
I'm giving you a sign  
C'mon, baby, what are you blind

I can see it in your eyes  
No matter how hard you try to hide  
Who's gonna say it? Who's gonna say  
Who's gonna say it first?

Girls do boys don't  
(Girls do boys don't)  
We got a lot to say

We got what you want, we got our own ways

So if you're down baby make me believe  
That you're the boy that a girl like me needs

Girls do, boys don't  
(C'mon, c'mon)  
Girls say what boys won't  
Girls do boys don't  
Girls say what boys won't

I can see it in your eyes  
No matter how hard you try to hide  
Who's gonna say it? who's gonna say it?  
Who's gonna say it first?

Girls do, boys don't  
(Girls do, boys don't)  
We got a lot to say

Girls say what boys won't, we got our own ways  
So don't pretend that you're not feeling me  
'Cause I'm a girl that a boy like you needs

Girls do, boys don't  
(Girls do, boys don't)  
We got a lot to say

We got what you want, we got our own ways  
So if you're down, baby, make me believe  
That you're the boy that a girl, like me needs

Girls do, boys don't  
Girls say what boys won't
