"Girls Of The Night"

We're getting bored of the nightlife
Gonna move this night up to where we want it to be
When I'm down and the girls come 'round, gotta shake
the town
Cause we're feeling kinda funky tonight

Look over there (where?), see the guy with the bad hair
He thinks he's hotti, but he's notti, do we really care
We hear the club is pumpin, and the bass is really
thumpin'
See the queue (oh no!), we're jumpin!
We are the girls of the night, feeling high

Me and the girls just want to have fun tonight
Feelin' hot, feelin' fun with the girls all night
Takin' time out is what it's all about tonight
Cause we're feeling kinda funky
[x2]

We take the town on without a care, sexy underwear
Gonna cause some trouble out there
Lipstick's on and we jump the car, acting like a star

Got a feeling this party's alright

Look over where (there!), I think I've found the club I
swear
That club is movin', yea it's groovin', gotta go in there
With the girls, feels so right

Me and the girls just want to have fun tonight
Feelin' hot, feelin' fun with the girls all night
Takin' time out is what it's all about tonight
Cause we're feeling kinda funky

[Bridge (To La)]

We are the girls of the night, feeling high
We are the girls of the night, feels so right

Me and the girls just want to have fun tonight
Feelin' hot, feelin' fun with the girls all night

Takin' time out is what it's all about tonight
Cause we're feeling kinda funky
[x2]
