Seems we play the game  
But lost along the way  
Somewhere we went wrong  
I didn't have a clue  
Should've never let you go  
Baby don't you know  
It was all in my mind  
Was I such a fool to let you get away  
And now every day  
There's nothing to defend  
My head was in the clouds  
And when I look around  
I won't give up - till you come back again

## Chorus

If I could turn back time  
I never would've thought that I could lose you boy but  
now I know  
I should've never let you go  
If I could have one wish  
I'll be the first to tell you  
This is never what I wanted, no  
I should've never let you go

I was confident  
Thought you were content  
How did we go wrong  
And now what can I do  
Should've never let you go  
Baby don't you know  
My tears are on the inside  
How can it be true  
I let you get away  
And now everyday  
There's nothing to defend  
My head was in the clouds  
And when I look around  
I won't give up - till you come back again

Repeat chorus

Oh oh oh oh oh oh oh oh?  
I should've never let you go  
Oh oh oh oh oh oh oh oh  
I should've never let you go  
Should've never should've never let you go  
Oh baby oh baby don't you know  
Oh I won't give up  
No no no no  
I should've never let you go
