I'm under fire-fire

It's so easy to be so cool & collected when you're not
winded

By the troubles that surround your feet
I know that everything I do is wrong and has been all
along
And it always gets to me

I am no hero
I just wanna show you that I'm no zero
And let you know you're who I want with me
I don't mind dying
If that would be the only way to keep you smiling
'Cause that is what I'm always gonna be
Drowning for you and me

I'm under fire-fire

It's so easy to be so ignorant unlike the pessimist

I have driven myself out to be (It's what you've always
meant to be)
The world's got a funny way of being sad no matter
what you did
And it always gets to me

I am no hero
I just wanna show you that I'm no zero
And let you know you're who I want with me
I don't mind dying
If that would be the only way to keep you smiling
'Cause that is what I'm always gonna be
Drowning for you and me

I'm under fire-fire

'Cause my name is Disaster
