Your voice it goes through me----SHUT UP
Like nails on a chalk board screech
Never a nice thing to say----ASSHOLE
Like clouds on a sunny day

Too much hate - it takes too much energy
Drowning in your negativity
Bringing down - all around
Plastered on your face is a constant frown

I never quite understood
How you thought that attitude would do you any good
We're all effected one way or another
You wake up in the morning why do you even bother

LIFES TOO SHORT - AINT GOT TIME FOR YOUR SHIT
STEP TO ME AND YOUR GONNA GET THE BRUNT OF IT!

I PREACH TOLERANCE - IVE GOT NO PATIENCE
FOR SIMPLE MINDED IDIOTS - BETTER STAY AWAY FROM
ME

What you say - What you do
Make it obvious its all about you
Play the victim - Oppressed by the man
Keeping you down with a ball and chain

Whining and complaining getting under my skin
Ide be happy never seeing you again
Life doesnt always go the way that you want it
I have a couple options-can you help me through it

We could have a fist fight and end it right here NO!
I could bite my toungue but thats not me RIGHT!
Talk shit like you - but right doesnt come from WRONG!
My way of dealing is to put it in a song
LIFES TOO SHORT - AINT GOT TIME FOR YOUR SHIT
STEP TO ME AND YOUR GONNA GET THE BRUNT OF IT!

I PREACH TOLERANCE - IVE GOT NO PATIENCE
FOR SIMPLE MINDED IDIOTS - BETTER STAY AWAY FROM
ME
