Zealot freak bombed a clinic
With a couple people in it
He justifies it by saying
DESPERATE TIMES DRASTIC MEASURES
You target them,you say they murder
You do the same damn thing yourself
An eye for an eye,it don't apply here
DESPERATE TIMES DRASTIC MEASURES
You're sick in the head,you fooled yourself
Abortions your excuse to kill
Pathetic way to get attention
DESPERATE TIMES DRASTIC MEASURES

DESPERATE TIMES DRASTIC MEASURES

Strong arm tactics that you're using
Picket,threaten,shoot and kill
Your local preachers got a gun now
DESPERATE TIMES DRASTIC MEASURES
You target doctors ,hit the bullseye
Without the doctors,they'de still go on
Arrows pointed in the wrong direction
DESPERATE TIMES DRASTIC MEASURES

Stay out of the womb,away from the clinics
Noses out where they dont belong
Its hard enough without your 2 cents in
DESPERATE TIMES DRASTIC MEASURES

Its a woman choice-no right to get along
You put decisions in their hands
You know it will get solved
The scary thing is you think what your doings right
The mothers life it needs protection
now its time to fight-FIGHT

How do we deal with these kinds of people
Make an example of the one's we've caught
Bring them to court,find them guilty
Fry their ass-lesson taught
Times are hectic as it is
We dont need freaks killing for unborn kids

It may sound drastic but indeed-
DESPERATE TIMES DRASTIC MEASURES
