In the days of now  
We lack the leader to unify  
Martin Luther King and Bobby K.  
Lives ended short WERENT AFRAID OF ACTION

Symbolically we need it  
I want to believe but who can i believe  
Because the powers that be  
Make clear THEY DONT CARE ABOUT ME

Give me someone and i will follow  
WE ALL NEED SOMEONE TO BELIEVE IN  
Someone to grab on to not just a concept  
WE ALL NEED SOMEONE TO BELIEVE IN

SO MANY LED BY ALTERIOR MOTIVES

Right one comes along and WE'LL ALL FALL IN LINE  
Tired getin let down modern false prophets  
WE ALL NEED SOMEONE TO BELIEVE IN

The plan is laid out  
The greedy snakes in Washington DC  
RICH GETTING RICHER while the poor stay poor  
MUFFLED AND SHACKLED how long will takeit

One corperation under god  
Serves their interest not the populus  
Starving mouth to bloated belly  
CIVIL WAR COMES FROM CIVIL UNREST
