Did you think this was some kind of club? Well I assure  
you that it never was  
I'm not here to call you a sell out  
I can promise you that's not what this is about  
Bite my tongue and close my mouth, say a prayer to lift  
this broken heart turned cold  
This is more than social acceptance, but that's the way  
you treat it  
It's more than ideals we follow  
One day I hope you'll see Him for who He is  
You've turned away  
Pride is what you seek and it will fail you as you fade  
away  
Trading Him for a social spot as the truth in love  
disappears  
I cry for you as you fade away  
One thing you need to know, there will always be grace.
