She gotta nasty reputation and a talent for sin
She's the kinda trouble - I like to be in
I wanna be her lover - I wanna be her slave
She's the kinda woman makes me wanna misbehave
She said "I'll give ya what you want boy - but lets make
it understood
If ya wanna be bad - ya gotta be good"
She's say's "there'll be no lyin' - no foolin' around
No seven day weekends - no nights on the town"
She said "that's the way I want it - that's the way it's
gotta be
If yer lookin' for trouble - better get it from me
So get on your knees boy - and do what you should
If you wanna be bad you gotta be good"

Let's make a night - let's make a night
To remember - to remember
From January - from January
To December - to December
Let's make a love - let's make a love
To excite us - to excite us
A memory - a memory
To ignite us - to ignite us
Let's make honey baby - let's make honey baby
Let's make sugar darlin' - let's make sugar darlin'
Sweet surrender - sweet surrender
Let's make a night - let's make a night
To remember - to remember
All life long
