Hey elvis won't cha come back home
I left a message on your code-a-phone
I tried to reach ya but I can't get through
Hey elvis where the hell are you?
Somebody saw you at the shopping mall
Somebody said they heard that southern draw
Hey elvis is it really true
We're all waitin' for a sign from you
Everybody knows about your pink cadillac
Everybody's wonderin' when you're comin' back
Everbody's waitin' just to hear ya sing
Hey elvis, you're still the king
Hey elvis won't cha come back soon
Nobody's rockin' in the jungle room
Come december don't know what we'll do
Be a blue christmas without you
Everybody knows about your pink cadillac
Everybody's wonderin' when you're comin' back
Everbody's waitin' just to hear ya sing
Hey elvis, you're still the king

Love me tender - don't be cruel
Return to sender - stuck on you
It's now or never - suspicious minds
Hey elvis aren't ya lonesome tonight
Hey elvis can't ya see
They need you back in memphis, tennessee
They're makin' records but there's nothin' new
Nobody ever done it quite like you

Everybody knows about your pink cadillac
Everybody's wonderin' when you're comin' back
Everbody's waitin' just to hear ya sing
Hey elvis, you're still the king
Everybody knows about your lisa marie
Everybody knows about tcb
Everybody's waitin' just to hear ya sing come back to
memphis,
Elvis - you're still the king
