Every morning when I wake up  
You put the sugar in my coffee cup  
I try to get to work - try to be on time  
But you've got something else on your mind

Well I think I might be breakin'  
From all the love we're makin'  
You drive me crazy - I can't get enuff  
I can't help it - I love ya too much

Yeah yeah  
Yeah yeah  
Yeah yeah  
I love ya too much

The guys at work, they say I'm whipped  
They think I'm crazy - think I lost my grip  
But they're just jealous - that's alright  
'cause they don't get your lovin' at night

I know how crazy it's sounding  
I can't stop my heart from pounding  
I'm in a hurry, baby - I'm in a rush  
I just can't help it - I love ya too much

Yeah yeah  
Yeah yeah  
Yeah yeah  
I love ya too much

The doctor says I'll have a heart attack  
If you keep wearing me out like that  
He tells me I'm a real bad case  
Well he'd be dead if he were in my place

I guess it ain't surprisin'  
Ya got my temperature risin'  
You're my lover, baby - you're my crush  
I can't help it - I love ya too much

Yeah yeah

Yeah yeah  
Yeah yeah  
I love ya too much  
(repeat)
