Oceans apart day after day
And I slowly go insane
I hear your voice on the line
But it doesn't stop the pain
If I see you next to never
Then how can we say forever

CHORUS:

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you

I took for granted all the times
That I thought would last somehow
I hear the laughter
I taste the tears
But I can't get near you now
Oh can't you see it baby
You got me going crazy

REPEAT CHORUS:

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you

I wonder how we can survive this romance
But in the end if I'm with you
I'll take the chance

Oh can't you see it baby
You've got me going crazy

REPEAT CHORUS:

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you

Waiting for you
