Right now I feel - just like a leaf on a breeze
Who knows where it's blowin'
Who knows where it's goin'
I find myself somewhere I - I never thought I'd be
Going' round in circles
Thinking about you and me
How do I explain it when I don't know what to say
What do I do now - so much has changed

Nothing I have ever known - has made me feel this way
Nothing I have ever seen - has made me want to stay
But here I am - ready for you
I'm torn' n, I'm fallin'- hear my home callin'
Hey - I've never felt somethin'so strong - oh no
It 's like nothing I've ever known

Now you're the one I'm lookin for
You're the one I need
You're the one that gives me - a reason to believe
Following a star - has lead to where you are
It feels so strong now - this can't be wrong now
